SCHEDULE-I

[See rule 4(2)]

Guidelines for CSB/DSB/DPC

While considering cases of officers on the panel, the CSB, DSB and DPC concerned shall adhere to the following guidelines, namely:—

- (a) performance evaluation reports shall be given due importance but shall not be the sole criterion for promotion to selection posts;
- (b) a civil servant shall only be promoted within his/her own group, service or cadre, as the case may be, against the vacancies allocated thereof. Those posted out of their group, service or cadre shall be considered for promotion on their turn but if selected, the actual promotion shall take place only when they rejoin their parent group, service or cadre.
- (c) a civil servant superseded will not be considered for promotion unless he/she has earned PERs for one full year. The following illustration/elaboration further clarify the position:

PERs for one full year shall imply, one full year PER(s) earned after consideration/supersession by the Selection Board and will include the PER which was neither due nor placed before the Selection Board even if it relates to the previous year.

Illustration-I

If an officer 'A' is considered by the Selection Board in Jan, 2019 when his/her PER for 2018 is neither due nor placed before the Selection Board and superseded. He will be considered after earning one full year PERs for 2018.

Illustration II

If an officer 'B' is considered by the Selection Board in January, 2019 when his/her PER for 2018 is not due but placed before the Selection Board and superseded. He/she will be considered after earning one full year PERs for 2019.

Illustration III

If an officer 'C' is considered by the Selection Board in May, 2019 when his/her PER for 2018 is due and placed before the Board and superseded. He will be considered after earning the PER of 2019.

- (d) Posts carrying basic pay scale 19 are generally supervisory posts. Supervision can be effective only if the supervisor has the relevant experience. These officers are also required to make contribution to policy-making at the lowest rung of the policy-making hierarchy. For promotion to these posts, therefore, a civil servant must fulfill qualifying service, eligibility threshold, qualifications, training, relevance of experience, quality and output of work and integrity.
- (e) Posts carrying basic pay scale 20 are middle management posts. Field offices are generally headed by the officers in this scale. It is, therefore, essential that in addition to the relevance of experience these officers must also have a sufficient variety and width of experience so that:
- (i) they acquire an overview of the functions performed by these organizations within the broader framework of government's overall objectives/ activities to ensure smooth and effective management at the field level; and
 - (ii) they can lend pragmatism to policy formulation in assignments at the Secretariat. Variety of experience would include experience in the field, corporations, attached departments, different Ministries/Divisions and in our Missions abroad.

For promotion to middle management posts, a civil servant must fulfill qualifying service, eligibility threshold, qualifications, relevance of experience, quality and output of work and integrity, variety of experience and training.

Selection Board should give due consideration to the nature of duties, duration and location of posts previously held by the officer. Depending on the post to be filled, an officer possessing well rounded experience should normally be preferred particularly if he/she has served with distinction in unattractive areas. While some exposure to a corporation, autonomous body or an ex-cadre assignment may be considered a positive feature, this would not be so where an officer has stayed away from his/her parent cadre for too long.

- (f) Posts carrying basic pay scale 21 fall in senior management involving important policy-making or extensive administrative jurisdictions. In addition to the circulation value and variety of experience the incumbents must possess proven analytical competence, breadth of vision, emotional maturity and such other qualities as determine the potential for successfully holding posts in top management. This potential cannot be judged by mathematical formula. The Selection Board will have to apply its collective judgment to determine the same.

For promotion to senior management posts, a civil servant must fulfill qualifying service, eligibility threshold, qualifications, relevance of experience, quality and output of work and integrity, variety of experience, training and Top Management Potential.

Since officers promoted to this level may be called upon to hold independent charge of a Ministry/Division or to head a major corporation, the Board should satisfy itself about the officer's maturity, balance and ability to assume such top management positions even at short notice.

SCHEDULE-II

[See rule 6(1)(a)]

SCHEDULE-III

[See rule 18(1)]

QUANTIFYING THE PERFORMANCE EVALUATION REPORTS

1. In accordance with clause (a) of sub-rule 3 of rule 18 of Civil Servants Promotion (BPS-18 to BPS-21) Rules, 2019, Performance Evaluation Reports (PERs) of an officer will be considered for promotion to posts carrying basic pay scales 18 to 21 or equivalent.

- (c) In case the assessment of the countersigning officer differs from that of the reporting officer in any PER, the quantification will be based on the overall grading recorded by the countersigning officer.
- (d) In case where there is a second countersigning officer, the quantification will be based on the overall grading recorded by the second countersigning officer.
- (e) Where two or more performance evaluation reports were initiated in a calendar year, the marks for that year shall be quantified as the sum of the weighted averages of these PERs.
- (f) Where an officer, appointed to a higher post on acting charge basis, is considered for regular promotion to that post, the PERs earned during his acting charge appointment will be added to the PERs earned in the lower post for calculating average marks.

3. The marks for PERs shall be computed separately for each grade/level of posts carrying the same basic pay scale and a weighted aggregate score will be worked out as follows:

- a) For each calendar year earning 02 or more PERs vide para 2 (e), part reports in a calendar year will be quantified on the basis of weightage average proportionately, instead of their arithmetic mean/average, to determine the yearly score of PERs.
- b) To calculate the PER scores in a Basic Pay Scale/Grade, the average of all the yearly scores will be taken.
- c) Weightage will be applied to the PER score and training score for computing the aggregate score, as per clauses (a), (b) & (e) of sub-rule 3 of rule 18 and as per rule 20.
- d) The following addition/deductions shall be made in the total marks worked out:
